Believe in Being Infinite™

Where Students Become Leaders, Entrepreneurs, and Innovators

What is Ininnovate?

Ininnovate is not a tutoring center. We bridge the "Life Readiness Gap" — the space between having strong academic credentials and possessing the practical skills to thrive in the real world. Through hands-on projects, business simulations, and AI-powered learning, your child develops financial literacy, entrepreneurial confidence, and leadership skills that school alone cannot teach.

THE ESBIE JOURNEY

Your child progresses through five real-world business roles:

SIGNATURE EVENTS

Parkchella

A community festival where student-run clubs launch products and services to the public. Mini-Coachella meets Career Day!

Shark Tank Jr.

Students design real business proposals and pitch to actual investors and mentors for professional feedback.

Pop-Up Pizzeria

A full business simulation where students manage marketing, finance, operations, and customer service hands-on.

SAFETY & TRUST

- ✓ 1:12 staff-to-student ratio for personalized attention
- ✓ FBI/DOJ background checks on all staff members
- ✓ CPR/First Aid certified coaches and mentors
- ✓ Official Fullerton School District enrichment partner
- ✓ Strict check-in/check-out security protocols

WHAT PARENTS SAY

"I'm glad my daughter is getting real-world, practical experience."

"I love the emphasis on leadership and values, not just focused on money."
